- (c) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

Upon the transfer, exchange or replacement of Legended Notes, or upon specific request for removal of the Legend, the Registrar shall deliver only Legended Notes or refuse to remove the Legend, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

3. STATUS OF THE NOTES AND NEGATIVE PLEDGE

The Notes and the relative Receipts and Coupons constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law. So long as the Notes or any relative Receipts or Coupons remain outstanding the Issuer will not secure any present or future indebtedness (whether being principal, premium, interest or other amounts) represented by notes, bonds or other debt securities which are for the time being quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market without securing the Notes equally and ratably except that the foregoing shall not apply to:

- (a) presently existing security which may be used to secure other obligations;
- (b) security arising by operation of law;
- (c) security to finance the purchase price of assets;
- (d) security for tax and other governmental levies which may be paid after their due date without penalty; or
- (e) repurchase agreements.

4. REDENOMINATION

Where redenomination is specified in the applicable Final Terms, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Agent, Euroclear and/or Clearstream, Luxembourg and at least 30 days' prior notice to the Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes that are denominated in a currency of a member state of the European Union shall be redenominated in Euro. Redenomination cannot be elected for Dual Currency Notes, FX Linked Notes, Inflation Linked Notes and CMS Linked Notes.

Subject to any applicable regulations, the election will have effect as follows:

- (a) the Notes and the Receipts shall be deemed to be redenominated into Euro with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into Euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, the market practice at that time in respect of the redenomination in Euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest €0.01;
- (c) if Definitive Bearer Notes or Individual Note Certificates are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in denominations of €100,000 (as determined by the Issuer in consultation with the Agent) and or such other denominations (of at least €100,000) as the Agent shall determine and notify to the Noteholders;
- (d) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the '**Exchange Notice**') that replacement Euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New Euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify in consultation with the Issuer where practicable and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;
- (e) on or after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in Euro as though references in the Notes to the Specified Currency were to Euro. Payments will be made in Euro by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee;

(f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction as specified in the applicable Final Terms, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention; and

(g) if the Notes are Floating Rate Notes, the Issuer may adjust the reference rate of the Notes to any of LIBOR or EURIBOR and, if required, any or all Interest Payment Dates as it deems necessary in accordance with the then pertaining market practice taking into account the redenomination and in order to preserve the economic equivalent of the obligations of the Issuer in respect of interest under such Notes.

5. INTEREST

5.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from and including the Interest Commencement Date at the rate(s) per annum equal to the Fixed Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the 'Fixed Interest Period' ending on (but excluding) such date will amount to the 'Fixed Coupon Amount'. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the 'Broken Amount' so specified.

As used in these Terms and Conditions, Fixed Interest Period means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period or if, in the case of Notes in definitive form, no applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, such interest shall be calculated by applying the Fixed Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding principal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

'Day Count Fraction' means, in respect of the calculation of an amount of interest in accordance with this Condition 5.1:

- (a) if 'Actual/Actual (ICMA)' is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the 'Accrual Period') is equal to or shorter than the Determination Period

- during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Interest Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
- (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Interest Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Interest Determination Dates that would occur in one calendar year;
 - (b) if '30/360' is specified in the applicable Final Terms, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360.
 - (c) If 'Actual/365 (Fixed)' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365.

5.2 Interest on Floating Rate Notes, FX Linked Interest Notes, Inflation Linked Notes and CMS Linked Notes

(a) Interest Payment Dates

Each Floating Rate Note, FX Linked Interest Note, Inflation Linked Note and CMS Linked Note bears interest on its outstanding principal amount from (and including) the Interest Commencement Date at the rate equal to the Rate of Interest payable in arrear on either:

- (i) the Specified Interest Payment Date(s) (each an '**Interest Payment Date**') in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an '**Interest Payment Date**') which falls on the number of months or other period specified as the specified period in the applicable Final Terms (each a '**Specified Period**') after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each 'Interest Period' (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition (ii) above, the '**Floating Rate Convention**', such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a

Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or

- (B) the '**Following Business Day Convention**', such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the '**Modified Following Business Day Convention**', such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the '**Preceding Business Day Convention**', such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

If '**Unadjusted**' is specified in the applicable Final Terms the number of days in each Interest Period shall be calculated, for the purposes of determining the Interest Amount(s) only, as if the Interest Payment Date were not subject to adjustment in accordance with the Business Day Convention specified in the applicable Final Terms.

If '**Adjusted**' is specified in the applicable Final Terms the number of days in each Interest Period shall be calculated, for the purposes of determining the Interest Amount(s) only, as if the Interest Payment Date is subject to adjustment in accordance with the Business Day Convention specified in the applicable Final Terms.

(b) Rate of Interest for Floating Rate Notes

The '**Floating Rate of Interest**' payable from time to time in respect of the Floating Rate Notes will be determined in the manner specified in the applicable Final Terms on the following basis:

- (i) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Floating Rate of Interest is to be determined, the Floating Rate of Interest for each Interest Period will be either the EURIBOR Rate or the LIBOR Rate (as indicated in the applicable Final Terms) plus or minus (as indicated in the applicable Final Terms) the Margin (if any). '**EURIBOR Rate**' means, with respect to any Interest Determination Date relating to a Floating Rate Note, the rate for Euro swaps with a Designated Maturity for a specified number of years (as indicated in the applicable Final Terms) which appears on Reuters relevant ISDAFIX1 Page as of 11:00 a.m., Brussels time, on the related Interest Determination Date. '**LIBOR Rate**' means, with respect to any Interest Determination Date relating to a Floating Rate Note, the rate for Designated Reference swaps with a Designated Maturity for a specified number of years (as indicated in the applicable Final Terms) which appears on Reuters relevant ISDAFIX1 Page as of 11:00 a.m., London time, on the related Interest Determination Date.

The following procedures will be used if the EURIBOR Rate or the LIBOR Rate cannot be determined as described above:

- (1) If the above rate is no longer displayed on the relevant ISDAFIX1 Page, or if not displayed by 11:00 a.m., Brussels time in the case of an EURIBOR Rate or 11:00 a.m. London time in the case of a LIBOR Rate, on the Interest Determination Date, then the EURIBOR Rate will be the rate for Euro swaps, with the same maturity as the notes designated in the applicable Final Terms, which appears on the relevant ISDAFIX1 Page as of 11:00 a.m., Brussels time, on the Interest Determination Date and the LIBOR Rate will be the rate for Designated Reference swaps, with the same maturity as the notes designated in the applicable Final Terms, which appears on the relevant ISDAFIX Page as of 11:00 a.m. London time, on the Interest Determination Date.

(2) If the information set out under (1) is no longer displayed by 11:00 a.m. Brussels time in the case of an EURIBOR Rate or 11:00 a.m. London time in the case of a LIBOR Rate, on the Interest Determination Date, then the EURIBOR Rate or LIBOR Rate will be a percentage determined on the basis of the mid-market, semi-annual swap rate quotations provided by five leading swap dealers in the Eurozone interbank market at approximately 11:00 a.m., Brussels time with respect to an EURIBOR Rate or in the London interbank market at approximately 11:00 a.m. London time with respect to a LIBOR Rate on the Interest Determination Date. For this purpose, the semi-annual swap rate means the mean of the bid and offered rates for the semi-annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating Euro interest rate swap with respect to an EURIBOR Rate, or fixed-for-floating Designated Reference interest rate swap with respect to a LIBOR Rate transaction with a term equal to the maturity of the notes designated in the applicable Final Terms on that Interest Determination Date with an acknowledged dealer of good credit in the swap market, where the floating leg, calculated on an Actual/360 day count basis, is equivalent to the rate for deposits in Euro (with respect to an EURIBOR Rate) or with respect to the Designated Reference (with respect to a LIBOR Rate) with a maturity of three months which appears on the EURIBOR001 page (with respect to EURIBOR Rate) or LIBOR01 page (with respect to LIBOR Rate). The Calculation Agent will select the five swap dealers after consultation with the Issuer and will request the principal Eurozone or London office of each of those dealers to provide a quotation of its rate. If at least three quotations are provided, the EURIBOR Rate or LIBOR Rate for that Interest Determination Date will be the arithmetic mean of the quotations, eliminating the highest and lowest quotations or, in the event of equality, one of the highest and one of the lowest quotations.

(3) If fewer than three leading swap dealers selected by the Calculation Agent are quoting as described above, the EURIBOR Rate or LIBOR Rate will remain the EURIBOR Rate or LIBOR Rate, as applicable, in effect on that Interest Determination Date or, if that Interest Determination Date is the first Interest Determination Date, the EURIBOR Rate or LIBOR Rate in effect on the Interest Commencement Date.

For the purposes of this sub-paragraph ‘**Designated Reference**’ means either Swiss Franc, EURLibor, Sterling, Japanese Yen or US Dollars (as specified in the applicable Final Terms).

(ii) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Floating Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation (if there is only one quotation on the Relevant Screen Page; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place), with 0.000005 being rounded upwards) of the offered quotations, (expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest pursuant to this subparagraph in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph. The following summarizes the most relevant provisions of the Agency Agreement with

regard to this matter. In such an event, the Principal Paying Agent shall request that each of the Reference Banks (as defined below) provide the Principal Paying Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Principal Paying Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Principal Paying Agent.

The expression 'Reference Banks' means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Principal Paying Agent or as specified in the applicable Final Terms.

The expression 'Specified Time' means 11.00 a.m. (London time, in the case of a determination of LIBOR or Brussels time, in the case of a determination of EURIBOR).

(c) Rate of Interest for FX Linked Interest Notes

The Rate of Interest payable from time to time in respect of the FX Linked Interest Notes will be determined on the following basis:

$$\text{FX Rate of Interest} = \text{Multiplier1} \times (\text{Reference Price}/\text{FX Level1}) - \text{Margin1}$$

where:

'**Multiplier1**' shall mean the value specified in the applicable Final Terms;

'**Reference Price**' means, in relation to an Interest Determination Date, an amount equal to the arithmetic mean of the offered rate and bid rate of exchange appearing on the Relevant FX Screen Page at the Relevant Time on that Interest Determination Date for the exchange of such Specified Currency into the Base Currency (expressed as the number of units (or part units) of the Specified Currency for which one unit of the Base Currency can be exchanged) or, if such rate is not available, the arithmetic average (rounded, if necessary, to four decimal places (with 0.00005 being rounded upwards)) as determined by or on behalf of the Calculation Agent of the bid and offer Specified Currency/Base Currency exchange rates (expressed as aforesaid) at the Relevant Time on such Interest Determination Date of two or more leading dealers (as selected by the Calculation Agent) on a foreign exchange market (as selected by the Calculation Agent);

'**Interest Determination Date**' has the meaning given in the applicable Final Terms;

'**Relevant FX Screen Page**' has the meaning given in the applicable Final Terms;

'**Relevant Time**' has the meaning given in the applicable Final Terms;

'**Base Currency**' has the meaning given in the applicable Final Terms;

'**Margin1**' has the meaning specified in the applicable Final Terms; and

'**FX Level1**' shall be an exchange rate level specified in the applicable Final Terms.

(d) Rate of Interest for CMS Linked Notes

The Rate of Interest payable from time to time in respect of the CMS Linked Notes will be determined on the following basis:

$$\text{CMS Linked Rate of Interest} = \text{Multiplier2} \times (\text{Multiplier3} \times \text{CMS Rate1} - \text{Multiplier4} \times \text{CMS Rate2}) + \text{Margin2}$$

91

where:

‘**Multiplier2**’ shall mean the value specified in the applicable Final Terms;

‘**Multiplier3**’ shall mean the value specified in the applicable Final Terms;

‘**Multiplier4**’ shall mean the value specified in the applicable Final Terms;

‘**CMS Rate1**’ shall mean, with respect to any Interest Determination Date relating to a CMS Linked Note, the rate for CMS swaps with a designated maturity for a specified number of years (as indicated in the applicable Final Terms as Designated Maturity1) which appears on Reuters ISDAFIX1 Page (the 'ISDAFIX1 Page') as of 11:00 a.m., Brussels time, on the related Interest Determination Date.

‘**CMS Rate2**’ shall mean, with respect to any Interest Determination Date relating to a CMS Linked Note, the rate for Euro swaps with a designated maturity for a specified number of years (as indicated in the applicable Final Terms as Designated Maturity2) which appears on Reuters ISDAFIX1 Page (the 'ISDAFIX1 Page') as of 11:00 a.m., Brussels time, on the related Interest Determination Date.

The following procedures will be used to determine the CMS Rate1 or the CMS Rate2 if such rate cannot be determined as described above:

(1) If the above rate is no longer displayed on the ISDAFIX1 Page, or if not displayed by 11:00 a.m., Brussels time, on the Interest Determination Date, then that rate will be the rate for CMS swaps, with the nearest maturity to the Designated Maturity1 with respect to the CMSRate1 or Designated Maturity2 with respect to CMSRate2 designated in the applicable Final Terms, which appears on the ISDAFIX1 Page as of 11:00 a.m., Brussels time on the Interest Determination Date.

(2) If the information set out under (1) is no longer displayed by 11:00 a.m. Brussels time on the Interest Determination Date, then the CMS Rate1 or CMS Rate2, as applicable, will be a percentage determined on the basis of the mid-market, annual swap rate quotations provided by five leading swap dealers in the Eurozone interbank market at approximately 11:00 a.m., Brussels time on the Interest Determination Date. For this purpose, the annual swap rate means the mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating CMS swap with a term equal to the maturity of the Designated Maturity1 with respect to the CMSRate1 or Designated Maturity2 with respect to CMSRate2 designated in the applicable Final Terms on that Interest Determination Date with an acknowledged dealer of good credit in the swap market, where the floating leg, calculated on an Actual/360 day count basis, is equivalent to the rate for deposits in Euro with a maturity of three months which appears on the EURIBOR001 page. The Calculation Agent will select the five swap dealers after consultation with the Issuer and will request the principal Eurozone office of each of those dealers to provide a quotation of its rate. If at least three quotations are provided, the CMS Rate1 or CMS Rate2 for that Interest Determination Date will be the arithmetic mean of the quotations, eliminating the highest and lowest quotations or, in the event of equality, one of the highest and one of the lowest quotations.

(3) If fewer than three leading swap dealers selected by the Calculation Agent are quoting as described above, CMS Rate1 or CMS Rate2 will remain the rate, as applicable, in effect on that Interest Determination Date or, if that Interest Determination Date is the first Interest Determination Date, CMS Rate1 or CMS Rate2 in effect on the Interest Commencement Date.

‘**Margin2**’ has the meaning specified in the applicable Final Terms.

(e) Rate of Interest for Inflation Linked Notes

The Rate of Interest payable from time to time in respect of the Inflation Linked Notes will be determined on the following basis:

$$\text{Inflation Linked Rate of Interest} = \text{Margin3} + \text{Max}[\{(\text{Inflation Index}_t - \text{Inflation Index}_{t-1}) / \text{Inflation Index}_{t-1} \}, 0]$$

where:

‘**Margin3**’ has the meaning specified in the applicable Final Terms;

‘**Inflation Index**’ means one of the following as specified in the applicable Final Terms:

(a) ‘**CPI Monthly Reference Index**’ which refers to the definitive consumer price index, excluding tobacco, for all households in metropolitan France, as calculated and published monthly by the INSEE, as such index may be adjusted or replaced from time to time as provided herein; or

(b) ‘**HICP Index**’ which refers to the European Harmonized Index of Consumer Prices, excluding Tobacco published by EUROSTAT on a monthly basis as shown on Bloomberg page CPTFEMU <Index> (non-revised numbers);

‘**t**’ means in respect of an Inflation Index the latest level of such Inflation Index (excluding any ‘flash’ estimates) published or announced by the relevant Index Sponsor for the Reference Month prior to the Interest Determination Date in respect of which the Interest Rate is being determined; and

‘**t-1**’ means in respect of an Inflation Index the latest level of such Inflation Index (excluding any ‘flash’ estimates) published or announced by the relevant Index Sponsor for the Reference Month prior to the latest Interest Determination Date (or Interest Commencement Date if the interest is being calculated over first Interest Period after the Issue Date) occurring before the Interest Determination Date in respect of which the Interest Rate is being determined.

If the Calculation Agent determines, in respect of an Inflation Index and an Interest Determination Date, that the level of such Inflation Index for a Reference Month which is relevant to the calculation of a payment under the Notes (a ‘**Relevant Level**’) has not been published or announced by the relevant Interest Determination Date, the Calculation Agent shall determine the level of such Inflation Index for such Reference Month (a ‘**Substitute Index Level**’) in place of such Relevant Level by using the following methodology:

$$\text{Substitute Index Level} = \text{Base Level} \times (\text{Latest Level} / \text{Reference Level})$$

The Issuer shall promptly give notice to the Noteholders in accordance with Condition 14 of any Substitute Index Level.

If a Relevant Level in respect of an Interest Determination Date is published or announced at any time after the relevant Interest Determination Date, such Relevant Level will not be used in any calculations. The Substitute Index Level determined pursuant to this Condition will be the definitive level for that Reference Month.

If the Calculation Agent determines that the level of an Inflation Index has not been published or announced for two consecutive months (the ‘**Period of Cessation of Publication**’) and/or the relevant Index Sponsor announces that it will no longer continue to publish or announce such Inflation Index then the Calculation Agent shall determine a successor index (a ‘**Successor Index**’) (in lieu of the relevant previously applicable Inflation Index) for the purposes of the Notes by using the following methodology:

(i) if no Inflation Index Cancellation (as defined below) has occurred and a notice has been given or an announcement has been made by the relevant Index Sponsor specifying that such Inflation Index will be superseded by a replacement index specified by the relevant Index Sponsor and the Calculation Agent determines that such replacement Inflation Index is calculated and announced using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the ‘Successor Index’ for such Inflation Index for the purposes of the Notes from the date that such Successor Index comes into effect; or

(ii) if no Inflation Index Cancellation (as defined below) has occurred and if a Successor Index is not determined pursuant to paragraph (i) above by the relevant Interest Determination Date, the Calculation Agent will determine an appropriate alternative index for the affected Interest Determination Date and such index will be deemed to be the ‘Successor Index’ for such Inflation Index with respect to the affected Interest Determination Date.

If the Calculation Agent determines that there is no appropriate alternative index, there will be deemed to be no Successor Index for such Inflation Index (an ‘**Inflation Index Cancellation**’) and, on giving notice to Noteholders in accordance with Condition 14, the Issuer shall redeem all, but not some, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount together with, if so specified in the applicable Final Terms, accrued interest.

Notice of the determination of a Successor Index and the date from which such index becomes the Successor Index or any Inflation Index Cancellation will be given to Noteholders by the Issuer in accordance with Condition 14.

In relation to an Inflation Index, either (i) the first publication and announcement of a level of such Inflation Index for a Reference Month shall be final and conclusive and later revisions to the level for such Reference Month will not be used in any calculations (‘**No Revision**’) or (ii) the first publication or announcement of a level of such Inflation Index, or, if revised, any subsequent revisions of such level for a Reference Month shall be final and conclusive, provided that such revisions are published or announced up to and including the relevant Revision Cut-off Date (as defined below) (‘**Revision**’), as specified in the applicable Final Terms provided that if neither ‘No Revision’ nor ‘Revision’ is specified in the applicable Final Terms, ‘No Revision’ shall be deemed to apply for such Inflation Index.

If, in respect of an Interest Determination Date and a Relevant Level in respect of such Interest Determination Date, the Calculation Agent determines that the relevant Index Sponsor has corrected such Relevant Level to remedy a manifest error in its original publication, prior to the earlier of thirty days following publication of such Relevant Level and the Manifest Error Cut-off Date for such Interest Determination Date the Calculation Agent may use such corrected Relevant Level to calculate any payments under the Notes in respect of such Interest Determination Date. Corrections published on or after the earlier of thirty days following publication of such Relevant Level and the Manifest Error Cut-off Date for such Interest Determination Date will be disregarded by the Calculation Agent for the purposes of determining any payments under the Notes.

If the Calculation Agent determines that an Inflation Index has been or will be rebased at any time, such Inflation Index as so rebased (the ‘**Rebased Index**’) will be used for purposes of determining any Relevant Level in respect of such Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make such adjustments to the levels of such Rebased Index so that such Rebased Index levels reflect the same rate of inflation as the relevant Inflation Index before it was rebased.

The following expressions have the following meanings in the context of Inflation Linked Notes only:

‘Index Sponsor’ means in relation to an Inflation Index, the entity that publishes or announces (directly or through an agent) the level of such Inflation Index, as indicated in the applicable Final Terms;

‘Base Level’ means, in respect of an Inflation Index, the level of such Inflation Index (excluding any ‘flash’ estimates) published or announced by the relevant Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined;

‘Latest Level’ means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any ‘flash’ estimates) published or announced by the relevant Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined;

‘Reference Level’ means, in respect of an Inflation Index, the level of such Inflation Index (excluding any ‘flash’ estimates) published or announced by the relevant Index Sponsor in respect of the month that is 12 calendar months prior to the month referred to in the definition of ‘Latest Level’ above;

‘Manifest Error Cut-off Date’ means, in respect of an Interest Determination Date, two Business Days prior to such Interest Determination Date;

‘Reference Month’ means, in respect of an Inflation Index, the calendar month for which the level of such Inflation Index was reported, regardless of when this information is published or announced. If the period for which the Inflation Index level was reported is a period other than a month, the Reference Month shall be the period for which the Inflation Index level was reported; and

‘Revision Cut-off Date’ means, in respect of an Inflation Index and a level of such Inflation Index for a Reference Month, the day that is two Business Days prior to any relevant Interest Determination Date.

(f) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specify a Minimum Rate of Interest for any Interest Period, then the Rate of Interest for such Interest Period shall in no event be less than such Minimum Rate of Interest and/or if it specifies a Maximum Rate of Interest for any Interest Period, then the Rate of Interest for such Interest Period shall in no event be greater than such Maximum Rate of Interest.

(g) Determination of Rate of Interest and Calculation of Interest Amount

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of FX Linked Interest Notes, Inflation Linked Notes and CMS Linked Notes, will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of FX Linked Interest Notes, Inflation Linked Notes and CMS Linked Notes the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent will calculate the amount of interest (the ‘Interest Amount’) payable on the Floating Rate Notes, FX Linked Interest Notes, Inflation Linked Notes or CMS Linked Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes, FX Linked Interest Notes, Inflation Linked Notes or CMS Linked Notes which are represented by a Global Note, the aggregate outstanding principal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes, FX Linked Interest Notes, Inflation Linked Notes or CMS Linked Notes in definitive form, the Calculation Amount;

- (C) and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note, an FX Linked Interest Note, an Inflation Linked Notes or a CMS Linked Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

‘Day Count Fraction’ means, in respect of the calculation of an amount of interest in accordance with this Condition 5.2:

- (i) if ‘Actual/Actual(ISDA)’ or ‘Actual/Actual’ is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if ‘Actual/365 (Fixed)’ is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if ‘Actual/365 (Sterling)’ is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if ‘Actual/360’ is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if ‘30/360’, ‘360/360’ or ‘Bond Basis’ is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

‘Y₁’ is the year, expressed as a number, in which the first day of the Interest Period falls;

‘Y₂’ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

‘M₁’ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

‘M₂’ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

‘D₁’ is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

‘D₂’ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if ‘30E/360’ or ‘Eurobond Basis’ is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

‘Y₁’ is the year, expressed as a number, in which the first day of the Interest Period falls;

‘Y₂’ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

‘M₁’ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

‘M₂’ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

‘D₁’ is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

‘D₂’ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

(vii) if ‘30E/360 (ISDA)’ is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

‘Y₁’ is the year, expressed as a number, in which the first day of the Interest Period falls;

‘Y₂’ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

‘M₁’ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

‘M₂’ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

‘D₁’ is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

‘D₂’ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

(h) Notification of Rate of Interest and Interest Amounts

The applicable Principal Paying Agent for each Series will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes, FX Linked Interest Notes, Inflation Linked Notes or CMS Linked Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fifth Business Day prior to the Interest Payment Date immediately preceding the relevant Interest Period. Each Interest Amount and Interest Payment Date so notified

may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Notes are for the time being listed and to the Noteholders in accordance with Condition 14.

(i) Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2 by the Principal Paying Agent for each Series or, if applicable, the Calculation Agent shall (in the absence of willful default, bad faith or manifest error) be binding on the Issuer, the applicable Principal Paying Agent, the Calculation Agent, if applicable, the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the applicable Principal Paying Agent or, if applicable, the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 Interest on Dual Currency Notes

In the case of Dual Currency Notes payments by the Issuer of interest and/or principal (as indicated in the applicable Final Terms) will be made in another currency or currencies than the Specified Currency. Such currency or currencies and the Rate of Exchange used to calculate payments of interest or principal will be indicated in the applicable Final Terms.

5.4 Interest on Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up principal amount of such Notes.

5.5 Accrual of Interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable has been received by the Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14 or individually.

5.6 Change of Interest Basis Option

If 'Change of Interest Basis Option' is specified as applicable in the applicable Final Terms, the Issuer may, subject to notification to such stock exchange where the Notes are listed and having given:

- (a) notice to the Noteholders in accordance with Condition 14, not less than the number of Business Days equal to the Interest Basis Option Period prior to the date on which the Change of Interest Basis Option shall be effective; and
- (b) notice to the Principal Paying Agent, not less than the number of Business Days equal to the Interest Basis Option Period prior to the date on which the Issuer Change of Interest Basis Option shall be effective, (both of which notices shall be irrevocable) exercise the Change of Interest Basis Option upon which exercise the Interest Basis of the Notes changes from the Initial Interest Basis (which shall cease to apply) to the

Subsequent Interest Basis (which shall commence to apply), effective as of the Change of Interest Basis Option Date immediately following the date on which the notice referred to above is given.

6. PAYMENTS

6.1 Method of Payment

Subject as provided below:

- (a) payments in a Specified Currency other than Euro will be made by transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or by a check in such Specified Currency drawn on a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars, shall be Sydney); and
- (b) payments in Euro will be made by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee or, at the option of the payee, by a Euro cheque.

6.2 Payments subject to fiscal and other laws

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8, including any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the 'Code') or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations thereunder, any official interpretations thereof, or any law implementing, or relating to, an intergovernmental approach thereto ('FATCA'). Neither NWB Bank nor any Paying Agent will be liable for, or required to pay any additional amounts as a result of the withholding or deduction from a payment on the Notes pursuant to, or in connection with, FATCA.

6.3 Presentation of Definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of Definitive Bearer Notes will (subject as provided below) be made in the manner provided in Condition 6.1 above only against surrender of Definitive Bearer Notes, and payments of interest in respect of Definitive Bearer Notes will (subject as provided below) be made as aforesaid only against surrender of Coupons, in each case at the specified office of any Paying Agent outside the United States (as defined below).

Payments of installments of principal (if any) in respect of Definitive Bearer Notes, other than the final installment, will (subject as provided below) be made in the manner provided in Condition 6.1 above against presentation and surrender of the relevant Receipt. Payment of the final installment will be made in the manner provided in Condition 6.1 above against surrender of the relevant Bearer Note. Each Receipt must be presented for payment of the relevant installment together with the Definitive Bearer Note to which it appertains. Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes represented by a Definitive Bearer Note (other than Dual Currency Notes, FX Linked Notes and Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons) at the specified office of any Paying Agent outside the United States, failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against

surrender of the relative missing Coupon at any time before the expiry of five years after the date on which such principal first became due (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note represented by a Definitive Bearer Note becoming due and repayable prior to its Maturity Date, all unmatured Receipts and Talons (if any) appertaining thereto will become void and no payments in respect of any such Receipts and no further Coupons in respect of any such Talons will be made or issued, as the case may be.

Upon the date on which any Floating Rate Note, FX Linked Note, Inflation Linked Note, CMS Linked Note, Dual Currency Note or Long Maturity Note represented by a Definitive Bearer Note becomes due and repayable, unmatured Receipts, Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. Where any such Bearer Note is presented for redemption without all unmatured Receipts, Coupons or Talons relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require. A 'Long Maturity Note' is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose principal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the principal amount of such Note.

If the due date for redemption of any Definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Bearer Note.

6.4 Payments in respect of Bearer Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Bearer Global Note will (subject as provided therein) be made in the manner specified above in relation to Definitive Bearer Notes against presentation or surrender, as the case may be, of such Bearer Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Note either by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

6.5 Payments in respect of Registered Notes

Payments of principal (other than installments of principal prior to the final installment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the 'Register') (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg and/or DTC, as applicable, are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (a) a holder does not have a Designated Account or (b) the principal amount of the Notes held by a holder is less than U.S. \$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a check in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, 'Designated Account' means the account (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and Designated Bank means (in the case of payment in a Specified Currency other than Euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars, shall be Sydney) and (in the case of a payment in Euro) any bank which processes payments in Euro.

Payments of interest and payments of installments of principal (other than the final installment) in respect of each Registered Note (whether or not in global form) will be made by a check in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg and/or DTC, as applicable, are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the 'Record Date') at the holder's address shown in the Register on the Record Date and at the holder's risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and installments of principal (other than the final installment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final installment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a check posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Note in respect of Notes denominated in a Specified Currency other than US Dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in US Dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

6.6 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the beneficial holder of a particular principal amount of Notes represented by such Global Note must look solely to Euroclear, Clearstream, Luxembourg or DTC, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note. No person other than the holder of such Global Note shall have any claim against the Issuer in respect of any payments due on that Global Note.

Notwithstanding the foregoing provisions of Condition 6.3 above, US Dollar payments of principal and interest in respect of Bearer Notes may be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)) if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in US Dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;

- (b) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in US Dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

Payment to the Principal Paying Agent by the Issuer and the receipt by the Principal Paying Agent of the due and punctual payment of funds shall be deemed to satisfy the obligations of the Issuer under the Notes for the purposes of payment of principal and interest due on the respective payment dates to the extent of such payments.

6.7 Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes 'Payment Day' means any day which is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) the case of Notes in definitive form only, the relevant place of presentation; and
 - (ii) any 'Additional Financial Centre' specified in the applicable Final Terms;
- (b) either (1) in relation to any sum payable in a Specified Currency other than Euro, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars, shall be Sydney), or (2) in relation to any sum payable in Euro, a day on which the TARGET2 System is open; and
- (c) in the case of any payment in respect of a Registered Global Note denominated in a Specified Currency other than US Dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Registered Global Note) has elected to receive any part of such payment in US Dollars, a day on which commercial banks are not authorized or required by law or regulation to be closed in New York City.

6.8 Interpretation of Principal and Interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 8;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) in relation to Installment Notes, the Installment Amounts;
- (f) in relation to Zero Coupon Notes, the Amortized Face Amount; and
- (g) any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

7. REDEMPTION AND PURCHASE

7.1 Redemption at Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be fully redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

7.2 Redemption for Tax Reasons

Unless this Condition is stated in the applicable Final Terms not to apply, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Notes other than Floating Rate Notes, FX Linked Interest Notes, Inflation Linked Notes or CMS Linked Notes) or on any Interest Payment Date (in the case of Floating Rate Notes, FX Linked Interest Notes, Inflation Linked Notes or CMS Linked Notes), on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable) if, on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in, or amendment to, the laws or regulations of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes.

Each Note redeemed pursuant to this Condition 7.2 will be redeemed at its Early Redemption Amount referred to in Condition 7.5 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.3 Redemption at the Option of the Issuer ('Issuer Call Option')

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (a) not less than 5 nor more than 30 days' notice to the Noteholders in accordance with Condition 14; and
- (b) not less than 5 days before the giving of the notice referred to in (i), notice to the Principal Paying Agent for such Series and, in the case of a redemption of Registered Notes, the Registrar,

(both of which notices shall be irrevocable), redeem all or some only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a principal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, both as indicated in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ('Redeemed Notes') will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear, Clearstream, Luxembourg and/or DTC, in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the 'Selection Date'). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 5 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this Condition 7.3 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 5 days prior to the Selection Date.

7.4 Redemption of Notes at the Option of the Noteholders ('Investor Put Option')

If Investor Put Option is specified in the applicable Final Terms as having an option to redeem, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 5 nor more than 30 days' notice as is specified in the applicable Final Terms (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem, such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. Registered Notes may be redeemed under this Condition 7.4 in any multiple of their lowest Specified Denomination.

If this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, to exercise the right to require redemption of this Note its holder must deliver at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, a duly signed and completed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a 'Put Notice') and in which the holder must specify a bank account (or, if payment is by check, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the principal amount thereof to be redeemed and, if less than the full principal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2.2. If this Note is in definitive bearer form, the Put Notice must be accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear, Clearstream, Luxembourg or DTC, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Principal Paying Agent of such exercise in accordance with the standard procedures of Euroclear, Clearstream, Luxembourg and DTC (which may include notice being given on his instruction by Euroclear, Clearstream, Luxembourg, or DTC or any common depository or common safekeeper, as the case may be, for them to the Principal Paying Agent by electronic means) in a form acceptable to Euroclear, Clearstream, Luxembourg or DTC from time to time and, if this Note is represented by a Global Note the terms of which require presentation for recording changes to its principal amount, at the same time present or procure the presentation of the relevant Global Note to the Principal Paying Agent for notation accordingly.

Any Put Notice given by a holder of any Note pursuant to this Condition shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition and instead to declare such Note forthwith due and payable pursuant to Condition 10.

7.5 Early Redemption Amounts

For the purpose of Condition 7.2 above and Condition 10, each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (a) in the case of a Note (other than a Zero Coupon Note but including an Installment Note and a Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the principal amount or which is payable in a Specified Currency other than that in which the Note is denominated, at the Early Redemption Amount specified in the applicable Final Terms or, if no such amount is specified in the applicable Final Terms, at its principal amount; or
- (b) in the case of a Zero Coupon Note, at an amount (the 'Amortized Face Amount') calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

‘RP’ means the Reference Price as indicated in the Final Terms; and

‘AY’ means the Accrual Yield as indicated in the Final Terms; and

‘y’ is a fraction the numerator of which is equal to the number of days (calculated on the basis of a Day Count Fraction (specified in the applicable Final Terms and further explained in Condition 5.1 and 5.2), or if none is specified in the applicable Final Terms, a 360 day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is calculated on the basis of a Day Count Fraction specified in the applicable Final Terms, or if none is specified in the applicable Final Terms, 360; or

- (c) in any other case, at the Final Redemption Amount specified in the applicable Final Terms or if no such amount is specified in the applicable Final Terms, at its principal amount.

7.6 Installments

Installment Notes will be repaid in the Installment Amounts and on the ‘Installment Dates’ specified in the applicable Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 7.5 above.

7.7 Partly Paid Notes

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise at the paid-up nominal amount of such Notes. While any Part Payment Amount due from the holder of Partly Paid Notes is overdue, no interest in a Global Note representing such Notes may be exchanged for Definitive Notes (as the case may be). If any Noteholder fails to pay any Part Payment Amount due on any Partly Paid Notes on any corresponding Part Payment Date, the Issuer may forfeit such Notes and shall have no further obligation to such Noteholder.

7.8 Redemption of FX Linked Redemption Notes

This Condition 7.8 is only applicable in relation to FX Linked Redemption Notes. Unless previously redeemed, or purchased and cancelled, each nominal amount of the Notes equal to the Calculation Amount will be redeemed by the Issuer at their FX Linked Redemption Amount (as defined below) on the Maturity Date at the Final FX Linked Redemption Amount. The Final FX Linked Redemption Amount will be determined in the manner specified below:

Final FX Linked Redemption Amount = 100% x Reference Price/ FX Level²

where:

‘**Reference Price**’ means, in relation to a relevant Final Redemption Determination Date, an amount equal to the arithmetic mean of the offered rate and bid rate of exchange appearing on the Relevant FX Screen Page at the Relevant Time on that relevant Final Redemption Determination Date for the exchange of such Specified Currency into the Base Currency (expressed as the number of units (or part units) of the Specified Currency for which one unit of the Base Currency can be exchanged) or, if such rate is not available, the arithmetic average (rounded, if necessary, to four decimal places (with 0.00005 being rounded upwards)) as determined by or on behalf of the Calculation Agent of the bid and offer Specified Currency/Base Currency exchange rates (expressed as aforesaid) at the Relevant Time on such relevant Final Redemption Determination Date of two or more leading dealers (as selected by the Calculation Agent) on a foreign exchange market (as selected by the Calculation Agent).

‘**Final Redemption Determination Date**’ is the date specified in the applicable Final Terms;

‘**Relevant FX Screen Page**’ has the meaning given in the applicable Final Terms;

‘**Relevant Time**’ is the time specified in the applicable Final Terms;

‘**Base Currency**’ has the meaning specified in the applicable Final Terms;

and

‘**FX Level 2**’ shall be an exchange rate level specified in the applicable Final Terms.

7.9 Automatic Early Redemption

If Automatic Early Redemption is specified to be applicable in the applicable Final Terms, unless previously redeemed or purchased and cancelled, if on any Interest Determination Date or during any Automatic Early Redemption Observation Period an Automatic Early Redemption Event occurs, then the Notes will be automatically redeemed in whole, but not in part, on a date specified by the Issuer to the Noteholders in a notice provided to the Noteholders, in accordance with Condition 14, within the Notice Period specified in the applicable Final Terms which shall be not less than 5 nor more than 30 days after the Automatic Early Redemption Event has occurred. In any such case the Final Redemption Amount payable by the Issuer on such date upon redemption of each Note shall be an amount equal to the relevant Automatic Early Redemption Amount.

‘**Automatic Early Redemption Amount**’ means, if Automatic Early Redemption is specified as being applicable in the Final Terms an amount specified as such in the applicable Final Terms;

‘**Automatic Early Redemption Event**’ means, if Automatic Early Redemption is specified as being applicable in the Final Terms that the Automatic Early Redemption Observation Level is, as specified in the applicable Final Terms, (i) ‘greater than’, (ii) ‘greater than or equal to’, (iii) ‘less than’ or (iv) ‘less than or equal to’ the Automatic Early Redemption Trigger Level; and

‘**Automatic Early Redemption Observation Level**’ means, if Automatic Early Redemption is specified as being applicable in the Final Terms the level specified as such. The Automatic Early Redemption Observation Level may be:

(a) an exchange rate indicated in the Final Terms; or

(b) an Aggregate Interest Amount specified in the applicable Final Terms.

If the Automatic Early Redemption Observation Level is specified in the applicable Final Terms as being an exchange rate such rate will be calculated as an amount equal to the arithmetic mean of the offered rate and bid rate of exchange appearing on the relevant FX Screen Page at the Relevant Time as indicated in the applicable Final Terms on an Interest Determination Date for the exchange of the Specified Currency into the Base Currency (expressed as the number of units (or part units) of the Specified Currency for which one unit of the Base Currency can be exchanged) or, if such rate is not available, the arithmetic average (rounded, if necessary, to four decimal places (with 0.00005 being rounded upwards)) as determined by or on behalf of the Calculation Agent of the bid and offer Specified Currency/Base Currency exchange rates (expressed as aforesaid) at the Relevant Time as specified in the applicable Final Terms on an Interest Determination Date of two or more leading dealers (as selected by the Calculation Agent) on a foreign exchange market (as selected by the Calculation Agent).

If the Automatic Early Redemption Observation Level is specified in the applicable Final Terms as being an Aggregate Interest Amount such amount will be calculated as the sum of (i) the Interest Amount (per Calculation Amount) on any Interest Determination Date and (ii) all previously accrued Interest Amounts (per Calculation Amount) for the applicable Tranche of Notes.

‘**Automatic Early Redemption Observation Period**’ means if Automatic Early Redemption is specified as being applicable in the Final Terms, the period described as such in the applicable Final Terms.

‘**Automatic Early Redemption Trigger Level**’ means, if Automatic Early Redemption is specified as being applicable in the Final Terms, the trigger level specified as such. The Automatic Early Redemption Trigger Level may be:

- (a) an exchange rate indicated in the Final Terms; or
- (b) a Target Redemption Amount specified in the applicable Final Terms.

If the Automatic Early Trigger Level is specified in the applicable Final Terms as being an exchange rate such rate will be calculated as an amount equal to the arithmetic mean of the offered rate and bid rate of exchange appearing on the relevant FX Screen Page at the Relevant Time as indicated in the applicable Final Terms on an Interest Determination Date for the exchange of the Specified Currency into the Base Currency (expressed as the number of units (or part units) of the Specified Currency for which one unit of the Base Currency can be exchanged) or, if such rate is not available, the arithmetic average (rounded, if necessary, to four decimal places (with 0.00005 being rounded upwards)) as determined by or on behalf of the Calculation Agent of the bid and offer Specified Currency/Base Currency exchange rates (expressed as aforesaid) at the Relevant Time as specified in the applicable Final Terms on an Interest Determination Date of two or more leading dealers (as selected by the Calculation Agent) on a foreign exchange market (as selected by the Calculation Agent).

If the Automatic Early Trigger Level is specified in the applicable Final Terms as being a Target Redemption Amount the Target Redemption Amount will be specified in the applicable Final Terms in the Specified Currency.

‘**Base Currency**’ has the meaning specified in the applicable Final Terms.

7.10 Purchases

The Issuer or any of its subsidiaries may at any time purchase Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, re-issued, resold or, at the option of the Issuer, surrendered to any Paying Agent and/or the Registrar for cancellation.

7.11 Cancellation

All Notes which are redeemed will subject to Condition 7.10 above forthwith be cancelled (together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 6.9 above (together with all unmatured Receipts and Coupons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be re-issued or resold.

7.12 Late Payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Conditions 7.1, 7.2, 7.3 or 7.4 above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 7.5(b) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable has been received by the Principal Paying Agent or the Registrar and notice to that effect has been given to the Noteholders in accordance with Condition 14.

8. TAXATION

All payments of principal and interest in respect of the Notes, Receipts Talons and Coupons by the Issuer will be made without withholding or deduction for any present or future taxes or duties, assessments or governmental charges of whatever nature imposed or levied by the Netherlands or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In such event, the Issuer will, depending on which provision is specified in the applicable Final Terms either:

- (a) make the required withholding or deduction of such taxes, duties, assessments or governmental charges for the account of the holders of the Notes, Receipts, Talons or Coupons, as the case may be, and shall not pay any additional amounts to the holders of the Notes, Receipts, Talons or Coupons; or
- (b) pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts, Talons or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts, Talons or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt, Talon or Coupon:
 - i. to a Noteholder, Receiptholder or Couponholder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with the Netherlands other than the mere holding of such Note, Receipt or Coupon or the receipt of principal or interest in respect thereof; or
 - ii. to a Noteholder, Receiptholder or Couponholder who would not be liable or subject to the withholding or deduction by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority or who could avoid such withholding or deduction by providing information or a certification concerning nationality, residence, or identity or satisfying any other information or reporting requirement imposed by the relevant tax authority; or
 - iii. presented for payment, where presentation is required, more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day; or
 - iv. where such withholding or deduction is in respect of any estate, inheritance, gift, sales, transfer, capital gains, excise or personal property tax or any similar tax, assessment or governmental charge; or
 - v. where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to the EU Savings Directive or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive, including, but not limited to, any law or measure similar to the requirements set forth in the EU Savings Directive as adopted by Switzerland in relation with the EU Savings Directive; or
 - vi. presented for payment, where presentation is required, by or on behalf of a Noteholder, Receiptholder or Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt, Talon or Coupon to another Paying Agent in a Member State of the European Union.

For the avoidance of doubt, no additional amounts will be paid by NWB Bank or any Paying Agent on account of any deduction or withholding from a payment on, or in respect of, the Notes where such deduction or withholding is imposed pursuant to, or in connection with, FATCA.

As used herein, the 'Relevant Date' means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Principal Paying Agent or the Registrar, as the

case may be, on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

Any reference in these Terms and Conditions to principal and/or interest in respect of the Notes shall be deemed also to refer to any additional amounts which may be payable under this Condition 8 or any undertaking given in addition thereto or in substitution therefore.

9. PRESCRIPTION

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless claims in respect of principal and/or interest are made within a period of five years (in the case of both principal and interest) after the Relevant Date (as defined in Condition 8) therefore.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5.2 or any Talon which would be void pursuant to Condition 6.3.

10. EVENTS OF DEFAULT

If any one or more of the following events (each an 'Event of Default') shall have occurred and be continuing:

- (a) default is made for more than 14 days in the payment of interest or principal in respect of the Notes; or
- (b) the Issuer fails to perform or observe any of its other obligations under the Notes and such failure has continued for the period of 30 days next following the service on the Issuer of notice requiring the same to be remedied; or
- (c) an encumbrancer takes possession of the whole or a major part of the assets of the Issuer, or a distress or execution or other process is levied or enforced upon or sued out against the whole or a major part of the assets of the Issuer or an executory attachment ('*executoriaal beslag*') is made on any major part of the Issuer's assets or a conservatory attachment ('*conservatoir beslag*') is made thereof and in any of the foregoing cases it is not cancelled or withdrawn within 30 days; or
- (d) any order is made by any competent court or other authority or resolution passed for the dissolution or winding-up of the Issuer or for the appointment of a liquidator or receiver of the Issuer or of all or substantially all of its assets or the Issuer enters into a composition with its creditors, files a petition for a suspension of payments, admits in writing that it cannot pay its debts generally as they become due, initiates a proceeding in bankruptcy, or is adjudicated bankrupt,

then any Noteholder may, by written notice to the Issuer at the specified office of the Principal Paying Agent, effective upon the date of receipt thereof by the Principal Paying Agent, declare the Notes held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 7.5), together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

11. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the applicable Principal Paying Agent at its office outside the United States (in the case of Bearer Notes, Receipts or Coupons) or the Registrar (in the case of Registered Notes) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. AGENTS

The names of the initial Agents and their initial specified offices are set out below.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the specified office through which any Agent acts, provided that:

- (a) so long as the Notes are listed on any stock exchange, or admitted to listing by any other relevant authority there will at all times be a Paying Agent (in the case of Bearer Notes) and a Transfer Agent (in the case of Registered Notes) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or listing authority;
- (b) there will at all times be a Paying Agent with a specified office in a city in continental Europe;
- (c) there will at all times be a Principal Paying Agent and a Registrar;
- (d) so long as any of the Registered Global Notes payable in a Specified Currency other than US Dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in New York City; and
- (e) the Issuer will use reasonable efforts to appoint and maintain a Paying Agent with a specified office in a country in Europe which is not obliged to withhold or deduct tax pursuant to the EU Savings Directive or any law implementing or complying with, or introduced in order to conform to, such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the final paragraph of Condition 6.6. Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30, nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

13. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent at its office outside the United States in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date (on which the final Coupon comprised in the relative Coupon sheet matures).

14. NOTICES

All notices regarding the Bearer Notes will be deemed to be validly given if published (i) in at least one daily newspaper of wide circulation in the Netherlands (which is expected to be '*Het Financieele Dagblad*'), (ii) if so specified in the applicable Final Terms, in a leading English language daily newspaper of general circulation in London (which is expected to be the Financial Times) and (iii) if and for so long as the Bearer Notes are admitted to trading on, and listed on the Official List of the Luxembourg Stock Exchange, a daily newspaper of general circulation in Luxembourg or the website of the Luxembourg Stock Exchange. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any definitive Notes are issued, there may, so long as any Global Note(s) representing the Notes is or are held in its or their entirety on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC, as applicable, be substituted for such publication in such newspaper(s) referred to above, the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or DTC, as applicable, for communication by them to the holders of the Notes. Any such notice shall be deemed to have been given to the holders of the Notes on the second day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg and/or DTC, as applicable.

Where the identity of all the holders of the Notes is known to the Issuer, the Issuer may (provided that, in the case of any publication required by a stock exchange or listing authority, that stock exchange or listing authority agrees) give notices individually to such holders in lieu of publication as provided above.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent through Euroclear and/or Clearstream, Luxembourg and/or DTC, as the case may be, in such manner as the Principal Paying Agent and Euroclear and/or Clearstream, Luxembourg and/or DTC, as the case may be, may approve for this purpose.

15. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or certain provisions of the Agency Agreement. Such a meeting may be convened by the Issuer or Noteholders holding not less than five per cent. in principal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in principal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the principal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, Receipts or Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereof, reducing or canceling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, Receipts or Coupons), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third, in principal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

The Principal Paying Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification (except as mentioned above) of the Agency Agreement which is not materially prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law of the Netherlands.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

16. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders, Receiptholders or Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes, provided that (i) in the case of Notes which were issued in accordance with the TEFRA D Rules that are initially represented by a Temporary Bearer Global Note exchangeable for interests in a Permanent Bearer Global Note or Definitive Bearer Notes, such consolidation can only occur following the exchange of interests in the Temporary Bearer Global Note for interests in the Permanent Bearer Global Note or Definitive Bearer Notes upon certification of non U.S. beneficial ownership and (ii) in the case of Registered Notes, if such further notes are not fungible with the previously issued Registered Notes for U.S. federal income tax purposes, the further notes will have a separate common code, ISIN, CUSIP and CINS (where applicable) from such numbers assigned to the previously issued Registered Notes.

17. GOVERNING LAW AND SUBMISSION TO JURISDICTION

The Agency Agreement, the Notes, the Receipts and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, the laws of the Netherlands.

The Issuer submits for the exclusive benefit of the Noteholders, the Receiptholders and the Couponholders to the jurisdiction of the court (*Rechtbank*) and its appellate courts at The Hague, the Netherlands. Without prejudice to the foregoing, the Issuer further irrevocably agrees that any suit, action or proceedings arising out of or in connection with the Agency Agreement, the Notes, the Receipts and the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Agency Agreement, the Notes, the Receipts and/or the Coupons) may be brought in any other court of competent jurisdiction.

The delivery of the Base Prospectus, this Supplemental Prospectus or any Final Terms and the offering, sale or delivery of any Notes shall not in any circumstances create any implication that there has been no adverse change in the financial situation of the Issuer since the date hereof or, as the case may be, the date upon which the Base Prospectus has been most recently amended or supplemented or that there has been no adverse change, or any event reasonably likely to involve any adverse change, in the prospects or financial or trading position of the Issuer since the date hereof or, if later, the date upon which the Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Program is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Program. Investors should review, inter alia, the Financial Information (as defined in the Section “Presentation of Financial and Other Information – Presentation of Financial Information” in the Base Prospectus) and the most recent financial statements of the Issuer when deciding whether or not to purchase any Notes.

Neither the Base Prospectus nor this Supplemental Prospectus constitutes an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of the Base Prospectus, this Supplemental Prospectus and any Final Terms and the offer, sale and delivery of Notes may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that the Base Prospectus or this Supplemental Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which is intended to permit a public offering of any Notes or distribution of the Base Prospectus or this Supplemental Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither the Base Prospectus, this Supplemental Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession the Base Prospectus, this Supplemental Prospectus or any Notes may come must inform themselves about, and observe any such restrictions on the distribution of the Base Prospectus, this Supplemental Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of the Base Prospectus, this Supplemental Prospectus and the offer or sale of Notes in the United States, the European Economic Area (including France, the Netherlands and the United Kingdom) and Japan, see “Plan of Distribution” and “Transfer Restrictions” in the Base Prospectus.

In particular, the Notes have not been and will not be registered under the Securities Act or any U.S. state securities laws. The Notes may not be offered, sold or delivered within the United States, or to, or for the account or benefit of, U.S. persons (as defined in Regulation S), except pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act and

applicable U.S. state securities laws, or pursuant to an effective registration statement. Bearer Notes are subject to United States tax law requirements. Subject to certain exceptions, Bearer Notes may not be offered, sold or delivered within the United States or to United States persons, as defined in the Code, and the U.S. Treasury Regulations thereunder.

The Notes may be offered and sold (i) in bearer form or registered form outside the United States to non-U.S. persons in reliance on Regulation S and (ii) in registered form within the United States to QIBs in reliance on Rule 144A. Prospective purchasers are hereby notified that sellers of the Notes may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A. For a description of these and certain further restrictions on offers, sales and transfers of Notes, see “Plan of Distribution” and “Transfer Restrictions” in the Base Prospectus.

Neither the Program nor the Notes have been approved or disapproved by the U.S. Securities and Exchange Commission (the “SEC”), any state securities commission in the United States or any other U.S. regulatory authority, nor have any of the foregoing authorities passed upon or endorsed the merits of any offering of the Notes or the accuracy of the Base Prospectus nor this Supplemental Prospectus. Any representation to the contrary is a criminal offence in the United States.

Only investors who have already agreed to purchase or subscribe for Notes before this Supplemental Prospectus is published have the right, exercisable within two working days after the publication of this Supplemental Prospectus, to withdraw their acceptances.

The Base Prospectus and this Supplemental Prospectus have been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in the Base Prospectus or this Supplemental Prospectus as completed by Final Terms in relation to the offer of those Notes may only do so:

- (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer; or
- (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by Final Terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State, such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or Final Terms and the Issuer has consented in writing to its use for the purpose of such offer.

To the extent sub-paragraph (i) or (ii) apply, all offers remain subject to restrictions set out in the Section “Plan of Distribution” in the Base Prospectus. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorized, nor do they authorize, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

[When completing any final terms, or adding any other final terms or information, consideration should be given as to whether such terms or information constitute 'significant new factors' and consequently trigger the need for a supplement to the Base Prospectus under Article 16 of the Prospectus Directive.]

[When adding any other final terms or information, consideration should be given as to whether such terms or information constitute category 'B' information as indicated in Annex XX of the Prospectus Regulation and consequently trigger the need for an individual drawdown prospectus.]

[Consider whether a drawdown prospectus is necessary in order to issue fungible Notes where the first Tranche was issued pursuant to a previous base prospectus. This could arise in circumstances where, for example, the Final Terms for the original tranche included information which is no longer permitted to be included in Final Terms under the Prospectus Directive (as amended) or pursuant to guidance issued by ESMA.]

Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by Final Terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State, such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or Final Terms and the Issuer has consented in writing to its use for the purpose of such offer.

The Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Program. Investors should review, inter alia, the Financial Information (as defined in the section headed “Presentation of Financial and Other Information – Presentation of Financial Information” in the Base Prospectus) and the most recent financial statements of the Issuer when deciding whether or not to purchase any Notes.

Neither the Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus nor this Third Supplemental Prospectus constitutes an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of the Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus, this Third Supplemental Prospectus and any Final Terms and the offer, sale and delivery of Notes may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that the Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus or this Third Supplemental Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which is intended to permit a public offering of any Notes or distribution of the Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus or this Third Supplemental Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither the Base

Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus, this Third Supplemental Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession the Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus, this Third Supplemental Prospectus or any Notes may come must inform themselves about, and observe any such restrictions on the distribution of the Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus, this Third Supplemental Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of the Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus, this Third Supplemental Prospectus and the offer or sale of Notes in the United States, the European Economic Area (including France, the Netherlands and the United Kingdom) and Japan, see the sections headed “Plan of Distribution” and “Transfer Restrictions” in the Base Prospectus.

In particular, the Notes have not been and will not be registered under the Securities Act or any U.S. state securities laws. The Notes may not be offered, sold or delivered within the United States, or to, or for the account or benefit of, U.S. persons (as defined in Regulation S), except pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act and applicable U.S. state securities laws, or pursuant to an effective registration statement. Bearer Notes are subject to United States tax law requirements. Subject to certain exceptions, Bearer Notes may not be offered, sold or delivered within the United States or to United States persons, as defined in the Code, and the U.S. Treasury Regulations thereunder.

The Notes may be offered and sold (i) in bearer form or registered form outside the United States to non-U.S. persons in reliance on Regulation S and (ii) in registered form within the United States to QIBs in reliance on Rule 144A. Prospective purchasers are hereby notified that sellers of the Notes may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A. For a description of these and certain further restrictions on offers, sales and transfers of Notes, see the sections headed “Plan of Distribution” and “Transfer Restrictions” in the Base Prospectus.

Neither the Program nor the Notes have been approved or disapproved by the U.S. Securities and Exchange Commission (the “SEC”), any state securities commission in the United States or any other U.S. regulatory authority, nor have any of the foregoing authorities passed upon or endorsed the merits of any offering of the Notes or the accuracy of the Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus nor this Third Supplemental Prospectus. Any representation to the contrary is a criminal offence in the United States.

The Base Prospectus, the First Supplemental Prospectus, the Second Supplemental Prospectus and this Third Supplemental Prospectus have been prepared on the basis that, except to the extent subparagraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in the Base Prospectus, the First Supplemental Prospectus, the

Second Supplemental Prospectus or this Third Supplemental Prospectus as completed by Final Terms in relation to the offer of those Notes may only do so:

- (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer; or
- (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by Final Terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State, such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or Final Terms and the Issuer has consented in writing to its use for the purpose of such offer.

To the extent sub-paragraph (i) or (ii) apply, all offers remain subject to restrictions set out in the section headed “Plan of Distribution” in the Base Prospectus. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorized, nor do they authorize, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.
