

With its specific qualities, NWB bank >

Financial capital

We are well-capitalised and raise low-cost funding based on our high level of creditworthiness and significant size

Social and relationship capital

We serve the broader Dutch public sector and act as national promotional bank in all relevant networks

Human capital

Our employees are committed, well-educated and motivated to use their talent for our clients and for our stakeholders

Intellectual capital

We are a frontrunner in the area of SRI Bonds and we consider the financing of innovative water energy projects an important feature

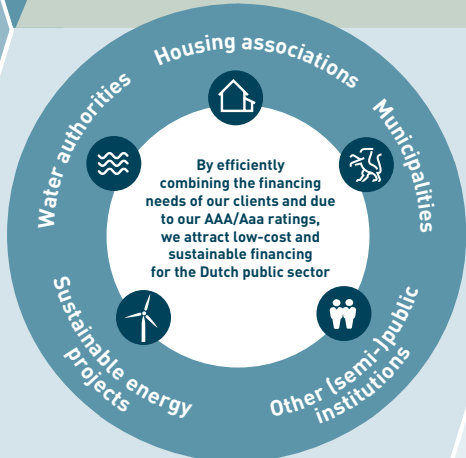

Organisational capital

We are a professional and cost-conscious organisation with a solid governance structure and we highly value transparency and integrity

...mobilises low-cost capital >

Mission: As a robust and sustainable bank for the public sector, we help our clients to create added value for society.

Conscious. Committed. Credible.

... to finance the Dutch public sector >

financial capital

Significant market share in the financing of the Dutch public sector and a sustainable shareholder return

Social and relationship capital

Low financing costs for our clients thanks to retention of our AAA/Aaa credit ratings and high ESG ratings compared to our peer group

Human capital

Professional and personal support for clients and high employee satisfaction

Intellectual capital

Frontrunner in the issuance of sustainable bonds and a promoter of innovation in the Dutch public water sector

Organisational capital

A transparent, open and efficient organisation that contributes to a diverse and innovative banking sector

... and ease the financial burden on citizens while making sustainability more affordable. >
